III. Information about the data processing

Your data processed when using our website will be deleted or blocked as soon as the purpose for its storage ceases to apply, provided the deletion of the same is not in breach of any statutory storage obligations or unless otherwise stipulated below.

Cookies

a) Session cookies

We use cookies on our website. Cookies are small text files or other storage technologies stored on your computer by your browser. These cookies process certain specific information about you, such as your browser, location data, or IP address.

This processing makes our website more user-friendly, efficient, and secure, allowing us, for example, to display our website in different languages or to offer a shopping cart function.

The legal basis for such processing is Art. 6 Para. 1 lit. b) GDPR, insofar as these cookies are used to collect data to initiate or process contractual relationships.

If the processing does not serve to initiate or process a contract, our legitimate interest lies in improving the functionality of our website. The legal basis is then Art. 6 Para. 1 lit. f) GDPR.

When you close your browser, these session cookies are deleted.

b) Third-party cookies

If necessary, our website may also use cookies from companies with whom we cooperate for the purpose of advertising, analyzing, or improving the features of our website. Please refer to the following information for details, in particular for the legal basis and purpose of such third-party collection and processing of data collected through cookies.

c) Disabling cookies

You can refuse the use of cookies by changing the settings on your browser. Likewise, you can use the browser to delete cookies that have already been stored. However, the steps and

measures required vary, depending on the browser you use. If you have any questions, please use the help function or consult the documentation for your browser or contact its maker for support. Browser settings cannot prevent so-called flash cookies from being set. Instead, you will need to change the setting of your Flash player. The steps and measures required for this also depend on the Flash player you are using.

If you have any questions, please use the help function or consult the documentation for your Flash player or contact its maker for support.

If you prevent or restrict the installation of cookies, not all of the functions on our site may be fully usable.

Order processing

The data you submit when ordering goods and/or services from us will have to be processed in order to fulfill your order. Please note that orders cannot be processed without providing this data.

The legal basis for this processing is Art. 6 Para. 1 lit. b) GDPR.

After your order has been completed, your personal data will be deleted, but only after the retention periods required by tax and commercial law.

In order to process your order, we will share your data with the shipping company responsible for delivery to the extent required to deliver your order and/or with the payment service provider to the extent required to process your payment.

The legal basis for the transfer of this data is Art. 6 Para. 1 lit. b) GDPR.

Newsletter

If you register for our newsletter, the data requested from you for this purpose, i.e. your email address and, optionally, your name and address, will be sent to us. We also store the IP address of your computer and the date and time of your registration. During the registration process, we

will obtain your consent to receive this newsletter and the type of content it will offer, with reference made to this privacy policy. The data collected will be used exclusively to send the newsletter and will not be passed on to third parties.

The legal basis for this is Art. 6 Para. 1 lit. a) GDPR.

You may revoke your prior consent to receive this newsletter under Art. 7 Para. 3 GDPR with future effect. All you have to do is inform us that you are revoking your consent or click on the unsubscribe link contained in each newsletter.

Contact

If you contact us via email or the contact form, the data you provide will be used for the purpose of processing your request. We must have this data in order to process and answer your inquiry; otherwise we will not be able to answer it in full or at all.

The legal basis for this data processing is Art. 6 Para. 1 lit. b) GDPR.

Your data will be deleted once we have fully answered your inquiry and there is no further legal obligation to store your data, such as if an order or contract resulted therefrom.

Mandatory information as per Art. 13 GDPR

If this is your first interaction with us, Art. 12, 13 GDPR mandates that we make available to you the following mandatory data protection related information: If you are contacting us via email, we will process your personal data only if we have a legitimate interest in the processing of this data (Art. 6 Sect. 1 lit. f GDPR), if you have consented to the processing of your data (Art. 6 Sect. 1 lit. a GDPR), if the processing of the data is required for the development, establishment, content or modification of a legal relationship between you and our company (Art. 6 Sect. 1 lit. b GDPR) or if any other legal provision permits the processing of this data. Your personal data will remain in our possession until you ask us to delete the data or you revoke your consent to store the data or if the purpose the data stored is required for no longer exists (e.g. once your request has been conclusively processed).

This shall be without prejudice to any compelling statutory provisions – in particular tax and commercial law based retention periods. You have the right to at any time receive free information concerning the origins, recipients and purpose of your data archived by us. You also have a right to object, to data portability and a right to log a complaint with the competent supervisory agency. Moreover, you can demand the correction, eradication and, under certain circumstances, the restriction of the processing of your personal data.

User posts, comments, and ratings

We offer you the opportunity to post questions, answers, opinions, and ratings on our website, hereinafter referred to jointly as "posts." If you make use of this opportunity, we will process and publish your post, the date and time you submitted it, and any pseudonym you may have used.

The legal basis for this is Art. 6 Para. 1 lit. a) GDPR. You may revoke your prior consent under Art. 7 Para. 3 GDPR with future effect. All you have to do is inform us that you are revoking your consent.

In addition, we will also process your IP address and email address. The IP address is processed because we might have a legitimate interest in taking or supporting further action if your post infringes the rights of third parties and/or is otherwise unlawful.

In this case, the legal basis is Art. 6 Para. 1 lit. f) GDPR. Our legitimate interest lies in any legal defense we may have to mount.

Follow-up comments

If you make posts on our website, we also offer you the opportunity to subscribe to any subsequent follow-up comments made by third parties. In order to be able to inform you about these follow-up comments, we will need to process your email address.

The legal basis for this is Art. 6 Para. 1 lit. a) GDPR. You may revoke your prior consent to this subscription under Art. 7 Para. 3 GDPR with future effect. All you have to do is inform us that you are revoking your consent or click on the unsubscribe link contained in each email.

Online job applications / publication of job advertisements

We offer you the opportunity to apply for jobs with our company via our website. In the case of these digital applications, we collect your application data electronically in order to process your application.

The legal basis for this processing is §26 Para. 1 S. 1 BDSG in conjunction with Art. 88 Para. 1 GDPR.

If you are hired as a result of the application process, we will store the data you provide during the application process in your personnel file for the purpose of the usual organizational and administrative process, naturally in compliance with further legal obligations.

The legal basis for this processing is §26 Para. 1 S. 1 BDSG in conjunction with Art. 88 Para. 1 GDPR.

If we do not hire you, we will automatically delete the data submitted to us two months after the final decision is made. We will not delete the data, however, if we must store the data for legal reasons such as evidence of equal treatment of applicants, until any legal action is concluded, or four months.

In this case, the legal basis is Art. 6 Para. 1 lit. f) GDPR and §24 Para. 1 No. 2 BDSG. Our legitimate interest lies in any legal defense we may have to mount .

If you expressly consent to a longer storage of your data, e.g. for your inclusion in a database of applicants or interested parties, the data will be processed further on the basis of your consent. The legal basis is then Art. 6 Para. 1 lit. a) GDPR. You may withdraw your consent at any time with future effect per Art. 7 Para. 3 GDPR with future effect.

Google Analytics

We use Google Analytics on our website. This is a web analytics service provided by Google Ireland Limited, Gordon House, Barrow Street, Dublin 4, Ireland (hereinafter: Google).

Usage and user-related information, such as IP address, place, time, or frequency of your visits to our website will be transmitted to a Google server in the United States and stored there. However, we use Google Analytics with the so-called anonymization function, whereby Google truncates the IP address within the EU or the EEA before it is transmitted to the US.

The data collected in this way is in turn used by Google to provide us with an evaluation of visits to our website and what visitors do once there. This data can also be used to provide other services related to the use of our website and of the internet in general. Google states that it will not connect your IP address to other data. In addition, Google provides further information with regard to its data protection practices at

<https://www.google.com/intl/de/policies/privacy/partners>,

including options you can exercise to prevent such use of your data. In addition, Google offers an opt-out add-on at

<https://tools.google.com/dlpage/gaoptout?hl=en>

in addition with further information. This add-on can be installed on the most popular browsers and offers you further control over the data that Google collects when you visit our website. The add-on informs Google Analytics' JavaScript (ga.js) that no information about the website visit should be transmitted to Google Analytics. However, this does not prevent information from being transmitted to us or to other web analytics services we may use as detailed herein.

Google reCAPTCHA

Our website uses Google reCAPTCHA to check and prevent automated servers ("bots") from accessing and interacting with our website. This is a service provided by Google Ireland Limited, Gordon House, Barrow Street, Dublin 4, Ireland (hereinafter: Google).

This service allows Google to determine from which website your request has been sent and from which IP address the reCAPTCHA input box has been used. In addition to your IP address, Google may collect other information necessary to provide and guarantee this service.

The legal basis is Art. 6 Para. 1 lit. f) GDPR. Our legitimate interest lies in the security of our website and in the prevention of unwanted, automated access in the form of spam or similar.
